#### New Model Child Find and Referral Notices

DPI has developed two new Child Find and Referral Notices that seek to reduce publication costs for school districts while clearly addressing the state and federal guidelines with which districts need to comply.

The new model notices and instructions can be found on the department's website at [http://dpi.wi.gov/sped/form\\_int.html](http://dpi.wi.gov/sped/form_int.html), <http://www.dpi.wi.gov/sped/referral-english.html> and <http://www.dpi.wi.gov/sped/cf-english.html>. LEAs may begin using the new notices immediately.

Questions about the new model notices may be directed to Paul Sherman, 608-267-9157, or [paul.sherman@dpi.wi.gov](mailto:paul.sherman@dpi.wi.gov).
